## TWO BRIEF MUST WATCH VIDEOS

- FOR YOUR DISCERNMENT -

*"The Gates of Death"*

Hey Loyal Readers!

Everyone doing OK on this Holy Shut-In Week? It'll be better soon, there is light at the end of the tunnel. We have two quick videos for you to watch, just click on each of the photos below. Open your mind and listen carefully. Think about what President Trump said the other day, admitting that the military's heavy front-and-center presence isn't just all about the COVID-19 plandemic. POTUS blatantly stated to One American News (OAN) reporter Chanel Rion that covert military operations, specifically in the area of human trafficking, were underway. Maybe COVID-19 is a COVert ID for the greatest humanitarian operation ever conducted by the US Military. Anons knew.

Now let's move-on and do some cerebral arithmetic... look at the photos, what do you see? I spy a short guy... Tiny Tony and eye see a Crooked Hil-la-ree!

(Click on the Arkansas lovefest photo below and listen carefully to the video.)

Ok, are you doing the math yet? A picture is worth a thousand words. Now click on the one clown party-pic below. But first, note all those in attendance. See the presence of George Soros and Tiny Tony Fauci? And YES, even Bill Gate Sr. I won't even bother discussing the other jokers present. However, for your edification, it would behoove you Wikipedia each one of these supercilious global denizens. (How's that for a hoity-toity sentence? I'm trying to make a point!) The picture below displays elite snobbery of Biblical proportions. Globalists of all forms! From all forms of media including television programming to news anchors, banking and intelligence, king-makers, academia and even family planners. YES, you read correctly. Please allow me to elaborate...

Did you know that Microsoft's dad not only came from an "elite" family, but is an attorney that sat on the Board of Directors of Planned Parenthood for 15 years? I'll ask the question again... ARE YOU DOING THE MATH YET??

So suffice it to say, Microlimp's dad had a huge impact on him. Now Billy-boy wants to be King Vaccine! To complete the puzzle, there's Tiny Tony standing close to his eugenicist hero Bill Gates senior.

Listen carefully to the citizen reporting in the second video linked to the photo below. Although the evidence is technically anecdotal, it helps weave the tapestry of a devious master plan(demic). Don't you find it odd that the doom-and-gloom lunatic-liberal-left are getting more and more angry as the virus turns-out to be less and less severe? Truth be told, the virus is slowing. Projected numbers of morbidity and mortality constantly being revised FOR THE BETTER! The Dems and Globalists are factions of demise... notice how Tiny Tony and Rachel Madcow are so loudly voicing that hydroxychloroquin should NOT be used to treat COVID-19? But yet again, POTUS was correct when he stated in a Tweet at the onset of the scandemic in China, "...as the weather starts to warm & the virus hopefully becomes weaker, and then gone." They just hate it when he's right.

Yes Mr. President, there IS light at the end of the tunnel and it comes with warmth. Cold to warm. Dark to Light.

On that note, have a wonderful Holy Week, Passover, or whichever system of faith you follow. May you stay safe and Be Well.
