TRACKING DOWN THE ORIGIN OF THE WUHAN CORONAVIRUS

commentary by tRB

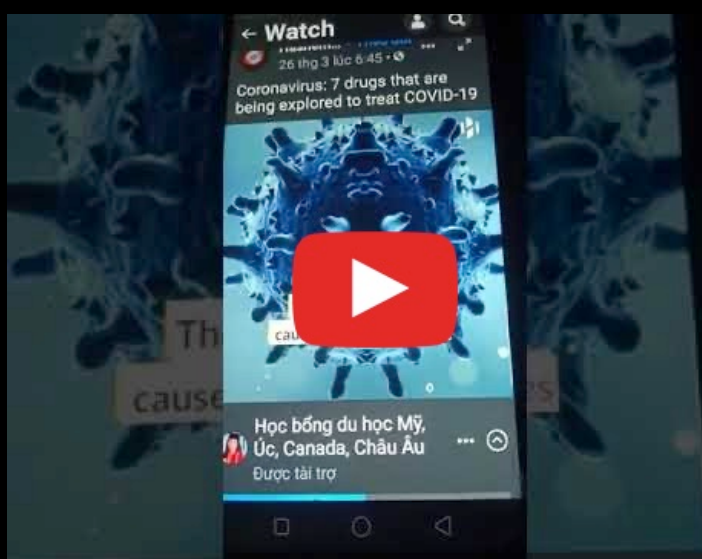

Dear Patriot,

YOU ARE ABOUT TO WATCH THE MOST ACCURATE ACCOUNT THE ORIGIN OF
THE CHINA VIRUS EVER PRODUCED TO DATE.

I salute The Epoch Times, China In Focus/NTD and reporter Joshua Philipp. This
is phenomenal investigative reporting, scientific and factual. This 56 minutes
segment ABSOLUTELY SUPPORTS what I presented in Part 1 of my personal series

on the virus entitled "The Truth About COVID-19". This documentary also fully backs-up everything stated by Dr. Rashid Buttar, a physician and former US Army surgeon currently practicing in North Carolina. Dr. Buttar's video (Part 3 in his series entitled "COVID-19/Corrupted Science") went absolutely viral and almost broke the internet. However, his video DID PISS-OFF YouTube, so much so, they removed it and claimed the it was in violation of "Community Guidelines". (More like "Communist Guidelines") I HIGHLY recommend watching Dr. Buttar's video. It is now available on Brighteon, you can [click here to watch](#).

Now here's something I guarantee you'll find EXTREMELY interesting. Click on the video below. This is brief video clip is regarding drugs being studied for treatment of COVID-19. The clip has gone viral (no pun intended) in Vietnam. WHY? BECAUSE VIETNAM HAS HAD ZERO DEATH. I'LL REPEAT... ZERO DEATHS!

This is because Vietnam passes-out hydroxycloquine like it's candy. If one tests positive yet has not symptoms, they are subject to a 14 day holiday at the government's expense. If one is showing minor symptoms and tests positive for the virus, they get hydroxycloquarantine (that's what I call it.) If they are they are very sick, elderly, etc, then a variety of modalities are aggressively used including azithromycin, various HIV drugs and zinc. I'll repeat it again... VIETNAM HAS HAD NO DEATHS. Kind sounds like the success rate that of Dr. Vladimir Zelenko, the New York country doctor that Tiny Tony (Fauci) and the WHO seem to ignore. Dr. Zelenko, you deserve a medal.

Lastly, if you find Vietnam's statistics hard to believe, I invite to go to the website below. This site give you REALTIME GLOBAL COVID-19 coverage, including total cases, recovery rates and deaths. It's a fantastic effort. Kudos to the coder.

Again, it's time that I shut-up. HOWEVER, we'd love to hear some feedback from you... input, commentary and criticisms are always welcomed.

Lastly, as we at QMovement find the currently Global state of affairs so important, we ENCOURAGE YOU to forward, post, Pin, Tweet, etc., this newsletter to anyone
