## **THE TRUTH ABOUT COVID-19 / PART 2**

**DS Pandemic, Special OPS or Both?  
The "Cure" Will Spread World Wide**

**by tRB**

Dear Subscriber,

Everyone doin' OK? Bored yet with the quarantine? For many parts of the world in lock-down, we are only half-way done. As the Adam Carolla recently said on Tucker Carlson's show, "This quarantine is like jail. You can do the time or the time can do you." Words of wisdom from the Aceman. Translation: Be productive with this time or it will feel like an eternity. So, let's just jump right-in with Part #2 of our series entitled, "The Truth About COVID-19".

So there are many questions to ask yourself about this pandemic: Deep State operation or is China solely at fault? Is Xi a "grey-hat", wanting to cut the chains of the DS? Did POTUS and the White Hats know about this pending pandemic?? Or even, was this a covert-counter move the good-guys pulled in order to bring-down China and reset the monetary system? Whether or not you're a Q-follower, semi-conspiracy theorist, fan of alternative knowledge/independent media, a moderate democratic or extreme left-leaning-liberal with a Globalist agenda, we can NOT ignore the following: This virus is real and this virus kills. HOWEVER, there is a VERY interesting back-story to the virus itself. Fact of the matter is, and as discussed in Part #1, this virus has been known for quite awhile... and even cataloged by the Chinese Institute of Military Medicine years ago. I guess this confirms what POTUS has been saying, *It IS a Chinese virus.*

A couple of things to keep in-mind. A mantra repeated in drops by Q for almost three years, as well as by POTUS, has been, "These people are sick". At times it seemed cryptic and out-of-place, but now with this pandemic, it sure seems fitting in hind-sight. Let's also recall a couple of things instated by POTUS early-on in the infancy of his administration: the "Right to Try Act", the "Presidential Emergency Broadcast System", and let's not forget statements by both Q and POTUS implying that "cures" are available; they just been shelved by the puppet-masters of Big Pharma. Ok, let's move on...

Prior to the global lock-down, POTUS meets and greets leaders whom have now tested positive with COVID-19 in Mar-Lago. Ivanka does the same with Australian diplomats... she too tests negative. Interesting eh? Do you see it? Are you reading in-between the lines? Logical thinking.

Now let's get back to the "grey-hat" theory. It's long been implied by Q that Xi is a partial DS puppet, struggling to break free of the ties that bind, a similar situation that his next-door neighbor Rocket Man has been in... DeepState Douchebaggery at its finest. It's hard to say when it comes to the optics of politics; does anyone really know what is truly going on behind the curtain? Ultimately not. We can only look at these world changing events from a forensic perspective. This is where the drops from Q come in. These are crumbs, tidbits of hints, giving us guidance of where to look, what to see and, ultimately freeing our minds to connect the dots. This is a Silent War. This is psychological warfare thru mis/disinformation of the highest caliber. Why do you think Gen. Flynn emphatically stated, "***We have an army of digital soldiers***". YES, a pajama'd platoon taking-down the DS with bedhead. I salute each and every one of these Autists and Anons. Semper Fi!

Take a look at the Qdrops included in this email. Note drop number and date. Interesting eh? The plot thickens. Did POTUS and the WH know that this pandemic was going to happen eventually? How coincidental that EVERY effort from the DEMS to take him out failed, whether it be Russia-Russia-Russia, impeachment, Stormy Daniels and the Creepy Porn Lawyer (Avenatti), or Billy Bush's hot mic, nothing can stop Trump. Nothing. We here at the QMovement office often refer to POTUS as "T4" (Teflon Trump with the Titanium Testicles).

Back to the Qdrops... note drop 1116, "Thank you Xi. Good start. China/CQ cancel. Q." Not "canceled", but "cancel". Misspellings matter. "CQ" is also the medical shorthand for chloroquine. As we all now know, hydroxychloroquine, zinc and Azithromycin seems to have a 100% cure rate of COVID-19 within 5 to 6 days. CQ/zinc/Z-Pak has been demonstrated to cancel the viral replication. But hey, there's no money there... THEY ARE OLD, TIME TESTED MEDICATIONS WITH MULTIPLE, CHEAP GENERICS ON THE MARKET. Is it any wonder so many are saying that Fauci's presence is merely optics and ultimately he's not to be trusted? What a coincidence he just keeps talking about vaccine development, trials that take forever, and is so hesitant/resistant to POTUS fast-tracking the CQ/Z-Pak combo. Do the math people... IT'S ALL ABOUT THE BENJAMINS! Look at Qdrops 556 and 694... "The CURE will spread WW" (World-Wide). I'm sure Q was not talking about an upcoming concert tour featuring Robert Smith and Co. Also note the first sentence in 694, "What if cures already exist"? Can you see it? Dark to Light.

So, as of today, China says there are NO NEW INFECTIONS of COVID-19. Are they to be believed? China is the world's NUMBER ONE source of generic medicines. Is Xi now passing-out the CQ/Z-Pak combo like government cheese on the first of the month? Who knows.... but I find it all very coincidental.

As I am writing this... it is now 5pm... and the city that was once silent due to the quarantine is a buzz with the Beautiful Noise of people saying THANK YOU to those medical professionals that are on the combat front line. YES, my keyboard is awash with tears. The best thing about all this is EXACTLY what Adam Carolla said... "in the end, this will bring us together and we'll realize what really matters".

I agree.
